

## Fauna species list

Significance of species:     R = Regional (Highlands Southern Fall Bioregion)  
                                       S = State  
                                       \* = Introduced

Note: All other indigenous species have local conservation significance

Significance	Common Name	Scientific Name
	<i>Mammal (native)</i>	
	Platypus	Ornithorhynchus anatinus
	Short-beaked Echidna	Tachyglossus aculeatus
	Common Brushtail Possum	Trichosurus vulpecula
	Common Ringtail Possum	Pseudocheirus peregrinus
	Sugar Glider	Petaurus breviceps
S	Koala	Phascolarctos cinereus
	Common Wombat	Vombatus ursinus
	Black Wallaby	Wallabia bicolor
	Eastern Grey Kangaroo	Macropus giganteus
	Bush Rat	Rattus fuscipes
	Swamp Rat	Rattus lutreolus
	<i>Mammal (introduced)</i>	
*	House Mouse	Mus musculus
*	European Rabbit	Oryctolagus cuniculus
*	Red Fox	Canis vulpes
*	Cat (feral)	Felis catus
	<i>Birds (native)</i>	
	Little Pied Cormorant	Phalacrocorax melanoleucos
	Silver Gull	Larus novaehollandiae
	Australian White Ibis	Threskiornis molucca
	White-faced Heron	Egretta novaehollandiae
	Australian Wood Duck	Chenonetta jubata
	Pacific Black Duck	Anas superciliosa
	Brown Goshawk	Accipiter fasciatus
	Collared Sparrowhawk	Accipiter cirrhocephalus
R	Wedge-tailed Eagle	Aquila audax
R	Little Eagle	Hieraaetus morphnoides
	Black-shouldered Kite	Elanus axillaris
	Peregrine Falcon	Falco peregrinus
	Brown Falcon	Falco berigora
	Southern Boobook	Ninox novaeseelandiae
S	Powerful Owl	Ninox strenua
	Rainbow Lorikeet	Trichoglossus haematodus
	Musk Lorikeet	Glossopsitta concinna
R	Little Lorikeet	Glossopsitta pusilla
	Yellow-tailed Black-Cockatoo	Calyptorhynchus funereus
	Gang-gang Cockatoo	Callocephalon fimbriatum
	Sulphur-crested Cockatoo	Cacatua galerita
R	Little Corella	Cacatua sanguinea
	Galah	Cacatua roseicapilla
	Australian King-Parrot	Alisterus scapularis
	Crimson Rosella	Platycercus elegans
	Eastern Rosella	Platycercus eximius
	Tawny Frogmouth	Podargus strigoides
	Australian Owlet-nightjar	Aegotheles cristatus
	Laughing Kookaburra	Dacelo novaeguineae

Significance	Common Name	Scientific Name
	Sacred Kingfisher	Todiramphus sanctus
	White-throated Needletail	Hirundapus caudacutus
	Pallid Cuckoo	Cuculus pallidus
	Fan-tailed Cuckoo	Cacomantis flabelliformis
R	Brush Cuckoo	Cacomantis variolosus
	Horsfield's Bronze-Cuckoo	Chrysococcyx basalis
	Shining Bronze-Cuckoo	Chrysococcyx lucidus
	Welcome Swallow	Hirundo neoxena
	Tree Martin	Hirundo nigricans
	Fairy Martin	Hirundo ariel
	Grey Fantail	Rhipidura fuliginosa
R	Rufous Fantail	Rhipidura rufifrons
	Willie Wagtail	Rhipidura leucophrys
	Satin Flycatcher	Myiagra cyanoleuca
R	Rose Robin	Petroica rosea
	Eastern Yellow Robin	Eopsaltria australis
	Golden Whistler	Pachycephala pectoralis
	Rufous Whistler	Pachycephala rufiventris
	Olive Whistler	Pachycephala olivacea
	Grey Shrike-thrush	Colluricincla harmonica
	Magpie-lark	Grallina cyanoleuca
	Crested Shrike-tit	Falcunculus frontatus
	Black-faced Cuckoo-shrike	Coracina novaehollandiae
	Striated Thornbill	Acanthiza lineata
	Brown Thornbill	Acanthiza pusilla
	White-browed Scrubwren	Sericornis frontalis
	Superb Fairy-wren	Malurus cyaneus
	Dusky Woodswallow	Artamus cyanopterus
	Varied Sittella	Daphoenositta chrysoptera
	White-throated Treecreeper	Cormobates leucophaeus
	Mistletoebird	Dicaeum hirundinaceum
	Spotted Pardalote	Pardalotus punctatus
	Silvereye	Zosterops lateralis
	White-naped Honeyeater	Melithreptus lunatus
	Eastern Spinebill	Acanthorhynchus tenuirostris
	Yellow-faced Honeyeater	Lichenostomus chrysops
	White-eared Honeyeater	Lichenostomus leucotis
	White-plumed Honeyeater	Lichenostomus penicillatus
	New Holland Honeyeater	Phylidonyris novaehollandiae
	Bell Miner	Manorina melanophrys
	Noisy Miner	Manorina melanocephala
	Red Wattlebird	Anthochaera carunculata
	Red-browed Finch	Neochmia temporalis
	Pied Currawong	Strepera graculina
	Grey Currawong	Strepera versicolor
	Grey Butcherbird	Cracticus torquatus
	Australian Magpie	Gymnorhina tibicen

Significance	Common Name	Scientific Name
R	Bassian Thrush	Zoothera lunulata
	Little Raven	Corvus mellori
	Striated Pardalote	Pardalotus striatus
	<i>Birds (introduced)</i>	
*	Spotted Turtle-Dove	Streptopelia chinensis
*	Rock Dove	Columba livia
*	Common Blackbird	Turdus merula
*	House Sparrow	Passer domesticus
*	European Goldfinch	Carduelis carduelis
*	European Greenfinch	Carduelis chloris
*	Common Myna	Acridotheres tristis
*	Common Starling	Sturnus vulgaris
	<i>Reptiles</i>	
R	Tree Dragon	Amphibolurus muricatus
	Garden Skink	Lampropholis guichenoti
	Weasel Skink	Saproscincus mustelinus
	Common Blue-tongued Lizard	Tiliqua scincoides
	Tiger Snake	Notechis scutatus
	Lowland Copperhead	Austrelaps superbus
	<i>Frogs</i>	
	Common Froglet	Crinia signifera
	Southern Brown Tree Frog	Litoria ewingii

Note: A number of additional species are likely to occupy habitats within Glenfern Valley Bushlands that have not been included above.
