Midweek

Conservation and Conversation Glenfern Valley Bushlands

The plan today is to continue to upgrade the surroundings of the Frog Pond.

The Frog Pond is now over 12 months old and the frogs and vegetation are settling in. We have some issues with weed ingress and to provide more visitor access we are going to put a small gravel path around the back of the pond.

If the weather is fine we will also be sanding and repainting the picnic table at New Road.

Come along and join us.
