

Welcome to Glenfern Valley Bushlands

We hope you enjoy your time in these beautiful Bushlands and appreciate what a privilege it is to walk through the rare 'Valley Grassy Forest'.

Due to development only one percent of these grasslands remain in Victoria.

They support Wallabies, Echidnas and many species of birds and plants.

If you keep your eyes open and your dog on leash you may be able to spot some of these creatures that call Glenfern Valley Bushlands home.
