

CHILD SAFE POLICY

STATEMENT OF COMMITMENT:

Friends of Glenfern Valley Bushlands (FoGVB) is a Child Safe organisation, with zero tolerance for child abuse and a commitment to children's best interests. All children who participate in our activities have a right to feel and be safe. We encourage children to express their views and we listen to their suggestions, especially on matters that directly affect them.

Physical or sexual abuse of a child, including grooming for sexual conduct with a child under the age of 16 years, is a crime. Members of FoGVB, who reasonably believe they have witnessed such abuse must by legal obligation, report it to relevant authorities, which may include Police.

KEY RISKS

- Physical or Sexual abuse
- Grooming (abuse of trust usually occurs where there is an ongoing relationship)
- Inappropriate child-to-child or adult-to-child contact
- Circulation of sexually explicit material

RISK MANAGEMENT STRATEGIES

- Be aware of Child Safety to deter inappropriate behaviour
- Promote Child-Safe Policy in activity briefings and on FoGVB website
- Listen if children report feeling uncomfortable
- Make sure children and adults know whom to go to, if they have concerns.
- If families bring children to activities, immediately advise the parent or carer that they must directly supervise their children at all times
- Avoid, where possible, being solely responsible for others' children
- Where possible, design activities so there are clear sightlines and obstruct any hidden places that could conceal inappropriate conduct
- Promote Code of Conduct covering Child Safety to membership
- Encourage each Committee member to have a Working with Children check.

EMPOWER CHILDREN

- Ask any children involved for their ideas, about what will make them, and other children feel and be safe.
